**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Protectors Insurance does not support this petition. We do not want price hikes in the cost of internet and telephone services. We like that we can choose between competitive providers. We do appreciate as a business being able to choose between what companies that provide services, keeping the services available.

Thank you for hearing our voice.
